

Mom, we're here to lift you up.

The Southern Nevada Health District offers **two FREE home-visiting programs for pregnant mothers and mothers with infants.**

Our nurses and community health workers go into the home and offer invaluable education and resources.

The Nurse-Family Partnership is a voluntary program for moms during their first pregnancy and throughout the first two years of their children's lives.

(702) 759-0779

Embracing Healthy Baby is a voluntary case management program targeted to specific zip codes in Clark County serving mothers and infants.
