

Take the Stage!

YOUTH TALENT SHOW

BE A PART OF THE 2021 NEVADA AFTERSCHOOL SHOWCASE!

Who can participate? Anyone 18 years old or younger that lives in Nevada and is currently enrolled in an afterschool or out-of-school time (OST) program.

What do I have to do to enter? Create a short video (3 min. or less), of youth in your program engaging in activities that showcase their talents! Any skills learned at your OST program can be highlighted:

- **Performing Arts** (dance, music, chorus, etc.)
- **Fine Arts** (painting, sculpture, etc.)
- **STEAM** (robotics, engineering, science labs, etc.)
- **Sports** (team drills, individual skills, etc.)
- **Demonstrations of favorite OST activities!**

Make sure to read all contest rules before creating and submitting your video! We encourage youth-led, youth-directed submission videos.

What happens if my video is chosen? Your video will be featured during the 2021 Nevada Afterschool Showcase – a virtual conference for afterschool and OST professionals throughout the state! Chosen videos will be notified by April 2nd and provided additional details at that time.
