TOPICS COVERED:

- **How I Grow and Learn** — Helps parents understand development, set expectations, and find different ways to nurture their children.
- **My First Teachers** — Helps parents teach children right from wrong using clear communication and reasonable positive and negative consequences.
- **Catch Me Being Good** — Helps parents observe and create more opportunities to encourage good behavior through praise, attention, and affection.
- **Teach Me What to Do** — Helps parents learn effective ways to teach children better habits through practice.
- **Help Me Do What's Right** — Shows parents how to correct problem behaviors without a power struggle.
- **Help Me Calm Down** — Teaches parents how to correct problem behaviors and give children the time and skills needed to calm down.
- **Putting It All Together** — Helps parents develop a parenting style that will improve relationships with their children.
